Pricelist 2022

Every year we at BRAND VAN EGMOND strive to use all our knowledge and experience in order to create some of the most astonishing lighting sculptures.

We are constantly inspired by the world around us, the people we meet and the beautiful projects we are invited to be part of. In return, we are frequently asked to translate unique lighting wishes into handcrafted reality.

Partners like Louis Vuitton, Chopard and the Four Seasons Hotels invited us to create tailor-made lighting for their spaces.

We welcome everybody who wants to see our designs, or would like personal advice from William Brand and his team, to our office and atelier in Naarden, The Netherlands.

Certificate

Each BRAND VAN EGMOND lighting sculpture is issued with a certificate of authenticity and registered with a unique number. This guarantees that you are in possession of an original BRAND VAN EGMOND object.

We advise you to keep this certificate together with your receipt of purchase in a safe place.

William Brand

designer / owner

William was trained as an artist and an architect. He graduated at the Utrecht School of Arts.

As an award-winning furniture designer he for many years designed buildings and interiors for fashion brands, including the headquarters of BRAND VAN EGMOND. His interior designs are always minimalist, in contrast to his lighting designs which have a powerful sculptural presence. He considers his lighting objects to be “the cherry on the cake”. His way of working is quite specific. Immediately after defining the concept he starts working in the workshop like a sculptor; experimenting and crafting while having the object grow in his hands, often with unexpected results. Therefore the journey is just as exciting and important as the destination.

Architects and other co-creatives are invited to discover the endless possibilities of customising our lighting sculptures.

We hope to inspire you through the different colours and forms of various compositions, just as we enjoy being stimulated by your requests. William Brand's background in architecture gives him the insight to fully understand the demands and challenges of your work. Combined with his experience he is the perfect partner to translate your needs into handcrafted reality.

For our clients we not only customise to different dimensions, but also in different finishes: allowing for a truly personal lighting sculpture to be created.

Minimum advertised pricing policy / agreement

BRAND VAN EGMOND has spent years building a brand of strong recognition and a high perceived value. By not adhering to the established Minimum Advertised Price (MAP) a reseller can have a dramatic effect of diminishing or detracting from the perceived value of the BRAND VAN EGMOND brand and its products. The internet, with its worldwide impact, has the possibility to cause harm to any companies' products, if they are advertised at prices that will eliminate any legitimate retail competition. Therefore, if BRAND VAN EGMOND and your company are partners, you will need to agree and abide by the following requirements and restrictions.

The MAP policy shall work under the following guidelines:

- 1) Resellers are not required to list prices in advertising. If a price is listed in an advertisement it must be at or above MAP. The Minimum Advertised Price for any BRAND VAN EGMOND product shall not be less than 4% below the current Manufacturer's Suggested Retail Price (MSRP) as published on the BRAND VAN EGMOND price List. In case the listed price is above MSRP, the maximum advertised discount shall be not more than 10%, in order not to degrade the image of BRAND VAN EGMOND.
- 2) MAP pricing is established by BRAND VAN EGMOND and may be adjusted by BRAND VAN EGMOND at its sole discretion. International accounts must reflect pricing as translated into their local currency.
- 3) Resellers are also responsible for ensuring their BRAND VAN EGMOND listed pricing is at or above MAP on internet search engines. Resellers are free to set the actual resale price of any product as long as it is at or above MAP price given the current MSRP. BRAND VAN EGMOND's MAP policy for all BRAND VAN EGMOND products apply to advertising placements, including but not limited to: print ads (inserts, magazines, newspapers, catalogs, mail 1 order catalogs, etc.), broadcast (radio and TV), direct mail, faxes, internet placement with third parties (banner ads, broadcast emails, destination pages, third-party sites), internet placements on resellers own website, and any flyers, posters or coupons.
- 4) If BRAND VAN EGMOND has proof of violation of the MAP Policy, BRAND VAN EGMOND will immediately decrease the discount rate applied to the partner by 10%. If a second breach of the agreement is found, another 10% will be deducted. BRAND VAN EGMOND employees have no authority to modify or grant exceptions to this MAP Policy.
- 5) The inclusion in advertising of free or discounted products (whether made by BRAND VAN EGMOND or another manufacturer) with a product covered by the MAP policy would be contrary to the policy if it has the effect of discounting the advertised price of the covered product below the MAP.
- 6) Dealer agrees to hold all trademarks of BRAND VAN EGMOND as the property of BRAND VAN EGMOND and use advertising materials provided by BRAND VAN EGMOND in an authorized manner only.
- 7) This MAP Policy shall apply to all BRAND VAN EGMOND products, except for
 - (a) those products which are discontinued (no longer on the then current price list published by BRAND VAN EGMOND),
 - (b) products which have been repeatedly used for demonstration purposes, such as floor samples, and/or
 - (c) products which have been substantially and materially damaged for any reason, provided those products are clearly labelled as being "discontinued items", "marketing/floor samples", "used items" or "damaged items", as the case may be. In this case it should be made clear in the advertisement that this is the reason for the discount. Product promotions may not result in an advertised price below the MAP Price.
- 8) Sales representatives of BRAND VAN EGMOND products will supply a copy of the BRAND VAN EGMOND MAP policy to any new or existing reseller to be filled out, acknowledged and returned to BRAND VAN EGMOND. This form shall be signed and returned to BRAND VAN EGMOND and in doing so, will bind the reseller to abide by the MAP and reseller requirements spelled out in this document.
